

Current NCAA Division I & II Guidelines for COVID-19

2019 - 2020 MMSD Current Freshmen, Sophomores, Juniors

Online & E-Distance Learning	The Eligibility Center will not require a separate review for any online or e-distance learning core courses taken through MMSD during the Spring/Summer of 2020.
Pass/Fail	The Eligibility Center will apply credits taken in core courses that are given a grade of "Pass" toward a student-athletes total of 16 core courses.
ACT/SAT Test Scores	All current MMSD Freshmen, Sophomores and Juniors will be required to have an ACT/SAT score on file with the Eligibility Center.

For the Spring/Summer of 2020 the NCAA Eligibility Center will apply the new rules of pass/fail for current Freshmen, Sophomore and Junior MMSD student-athletes.

Student with total core course GPA less than 2.3 GPA	<p>The Eligibility Center will give the student credit toward 16 total core course requirements.</p> <p>Every core course receiving a grade of "Pass" will receive a weight of 2.3, from The Eligibility Center.</p>
Student with total core course GPA higher than 2.3 GPA	<p>The Eligibility Center will give the student credit toward 16 total core course requirements.</p> <p>The GPA will only be calculated using letter grades from courses taken outside Spring/Summer 2020.</p>

If a student-athlete is able to receive an A or B in any core course and needs it to be counted toward NCAA Eligibility, they must have a third party request that such grade be added to their official transcript (College, NCAA Eligibility Center, etc.).
